

# Amegy<sup>®</sup> MED

## Specialty Banking for Physicians

As a medical professional you dedicate your life to the health of your patients — often at the expense of your own financial well-being. This is where Amegy Bank can help. In this ever-changing health care industry, we're committed to supporting you with innovative financial instruments ranging from lines of credit and home and practice financing<sup>1</sup> — to the latest treasury management products and solutions based wealth planning.

Personalized service for you so you can stay focused on your patients.

**Here, you grow.**
