

Banking Center Updates

Amegy Bank remains committed to safeguarding the health and safety of our employees and customers. That's why we're taking the necessary steps to help slow the spread of Coronavirus (COVID-19) by making changes to our banking center service operations.

Starting Monday, June 8, our banking centers will assist you during the following operating hours: Mon. – Fri. from 9 a.m. to 5 p.m. and Sat. from 9 a.m. to 1 p.m. at locations with Saturday service as indicated below. Until further notice, all banking center lobby access remains available by appointment only. We recognize this is a unique situation for the time being, but please know we are still here to assist you.

If you have any questions or concerns, please do not hesitate to give us a call at 800-287-0301 (Monday-Saturday 7:00 AM to 9:00 PM CT) or contact a banking center near you.

Please see below for the current service options available at your nearest banking center.
