Summer Internship Program

Amegy Bank's Summer Internship Program is designed to provide college students with an opportunity to gain knowledge, experience, and exposure in the banking industry.

Interns are either assigned to a specific lending group or rotate through several lending groups during the program. Duties include but are not limited to:

- Conducting industry research
- Preparing client prospect lists
- Scheduling appointments with prospective clients
- Assisting with credit presentations
- Observing the process of spreading financial statements and underwriting loans

The internship experience also includes networking events with executives and other managers around the Bank, professional development and training sessions, deal discussions, overviews of various areas of the Bank, and volunteer opportunities.

- Business Banking
- Commercial Lending
- Commercial Real Estate
- Corporate Banking
- Energy Lending
- Healthcare & Not-for-Profit
- International Banking
- Private Banking
- Special Assets Group
- Syndications

The combination of hands-on assignments, programmed trainings, and events provides each intern with a well-rounded summer experience.

The Summer Internship Program opportunities are available in our Houston, Dallas, Fort Worth, and San Antonio offices. The Internship is a paid position. The bank does not provide housing for interns.
