## AMEGY BANK HONORED WITH ABA FOUNDATION COMMUNITY COMMITMENT AWARD

**HOUSTON (Oct. 14, 2025)** — [Amegy Bank](#) was nationally recognized by the American Bankers Association (ABA) Foundation for its EnRiching Tomorrow Program with a 2025 ABA Foundation Community Commitment Award. The award was given to Amegy Bank for its efforts in the Financial Education category and will be presented during ABA's Annual Convention on Oct. 21 in Charlotte, N.C.

EnRiching Tomorrow is Amegy Bank's signature financial education initiative, launched in 2022 to inspire students attending Title 1 Middle Schools by connecting them with first-generation entrepreneurs, celebrities and Amegy bankers for engaging conversations about financial independence, dreams and success. Hosted at Amegy's corporate offices, each session includes curated programming, resources and personal stories of resilience.

*With nearly 800 Texas students served to date, EnRiching Tomorrow fosters educational motivation and financial empowerment in underserved communities.*

“EnRiching Tomorrow encourages middle school students to dream big by asking thought-provoking questions and creating space for meaningful dialogues,” said Diane Maben, Amegy Bank’s Chief Operating Officer and founder of the program. “By connecting students with inspiring local leaders who’ve built success within their own communities, we help them see what’s possible when it comes to shaping the lives they envision.”

Entries were submitted in seven categories: affordable housing, community and economic development, financial education, financial inclusion, protecting older Americans, supporting military families and volunteerism. Award winners were chosen by a field of nationally-recognized experts in each field.

“Amegy Bank’s EnRiching Tomorrow exemplifies the powerful impact financial institutions can have when they invest in the well-being of their communities, said Lindsay Torrico, executive director of the ABA Foundation. “As a 2025 Community Commitment Award honoree, their work stands as a model of purpose-driven banking, and we hope it inspires others across the industry to lead with compassion and innovation.”
