

### INTRAFI DEPOSITOR CONTROL PANEL: RESETTING YOUR PASSWORD

The Depositor Control Panel (DCP) is a secure website created to help you manage your IntraFi Cash Service account(s). This guide explains how to reset your password.

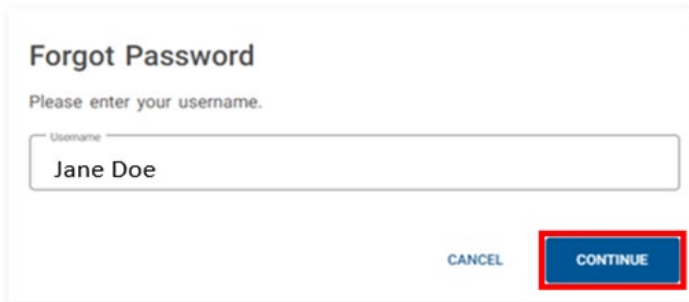

**Log In**  
If you have already verified your account, log in here.

Your password reset code is 19337795

#### RESETTING YOUR PASSWORD

1. Navigate to the DCP Log In screen.
2. Click *Forgot password*.
3. Enter your username and click *Continue*.
4. A password reset code will be sent to the email or phone number associated with your account.

### Enter Verification Code

If you entered a valid username, you will receive a text message or email with a verification code.

The screenshot shows two sections. The first section, 'Enter Verification Code', has a text input field with a red border containing the placeholder 'Enter your 8-digit code'. Below it is a red error message: 'This field is required'. To the right is a 'Request a new code' link with a refresh icon. The second section, 'Create New Password', has two text input fields. The first is labeled 'Create your new password' and the second is labeled 'Verify new password'. Both fields have a red error message and a toggle icon. At the bottom are 'CANCEL' and 'CREATE NEW PASSWORD' buttons.

5. Enter the 8-digit verification code into the field outlined in red.
6. Create a unique password and click *Create New Password*.

The screenshot shows a success message in a green box: 'Your password was successfully changed. Please log in using your new password.' Below this is the 'Log In' section with the text 'If you have already verified your account, log in here.' It features a 'Username' field with the text 'Jane Doe' and a 'Password' field with masked characters and a toggle icon. A link 'Forgot username or password?' is below the password field. At the bottom is a blue 'LOG IN' button.

7. Once your password has been reset, navigate back to the Log In screen and enter your new credentials.

Deposit placement through CDARS or ICS is subject to the terms, conditions, and disclosures in applicable agreements. Although deposits are placed in increments that do not exceed the FDIC standard maximum deposit insurance amount (“SMDIA”) at any one destination bank, a depositor’s balances at the institution that places deposits may exceed the SMDIA (e.g., before settlement for deposits or after settlement for withdrawals) or be uninsured (if the placing institution is not an insured bank). The depositor must make any necessary arrangements to protect such balances consistent with applicable law and must determine whether placement through CDARS or ICS satisfies any restrictions on its deposits. A list identifying IntraFi network banks appears at <https://www.intrafi.com/network-banks>. The depositor may exclude banks from eligibility to receive its funds. IntraFi and ICS are registered service marks, and the IntraFi hexagon and IntraFi logo are service marks, of IntraFi Network LLC.
