GENERATING REPORTS

STEP 1: SELECT THE REPORTS TAB ON THE TOP MENU.

- The Deposit Status report is automatically displayed as the first page of the Reports module.
- The report will display the last 25 deposits submitted in the last 14 days.
- Eight data elements regarding each deposit will be displayed.
- You can create and print a deposit ticket with just the data or you can print a deposit ticket to include images of the checks.
- Select a deposit and click *Print* or *Print with Images* in the bottom right corner. A PDF of the deposit ticket opens in a separate window.

To download a copy of the deposit ticket.

- Click the *disk (Save)* icon. The Save A Copy icon dialog box appears
- Select a place to save the file, and then click OK.

To print a copy of the deposit ticket

 Click the *printer* icon. The print dialog box appears. Click OK.

STEP 2: SELECT ALL ITEMS REPORT

There are three standard reports available in Business Remote Deposit Capture.

- All Items Report
- Daily Deposit Summary Report
- Deposit Report By Date Range

| 20220818104020_S | Scsv ^ |

 Click on the *All Items* Report. This report can be used to export data to a third-party accounting application.

 A Report Parameters dialogue box appears. Enter a date in the Processing Date field and then click OK. The report will appear in your browser window.

NOTE: You can only generate an All Items Report for a day that falls within the last 24 months.

Download a copy of the All Items Report.

- Select the appropriate file format from the dropdown list and click *Download*.
- A Cache Warning dialogue box appears, click *OK* or *Cancel*.
- File Dialogue box appears in the bottom left corner of the screen. Open file and save to desired location.

REMOTE DEPOSIT CAPTURE

QUICK REFERENCE GUIDE

STEP 3: SELECT DAILY DEPOSIT REPORT

- Click Daily Deposit Summary. This report provides data for all deposits on a specified date within the last 24 months.
- Click Report Parameters dialogue box appears.
- Enter a date in the Processing Date field and then click OK. The report will appear in your browser window.

Download a copy of the Daily Deposit Summary report.

- Follow the same steps noted above for downloading the All Items Report.
- A file dialogue box appears in the bottom left corner of the screen.
- Open file and save to desired location.

STEP 4: SELECT DEPOSIT REPORT BY DATE RANGE

- Click Deposit Report by Date Range. This report provides data for all deposits within a 35-day date range and can be used to assist in reconciling to your bank account.
- A Report Parameters dialogue box appears. Enter dates in the Start and End Date fields and then click *OK*.

NOTE: You can only generate a report for a date range that falls within the last 24 months.

- Click Reports Available in Simply Deposit menu option in the left margin.
- Click the report option links to learn more about each report.

Please reference Key Risk Mitigation Best Practices below and share with all Users using the Remote Deposit Capture system.

Remote Deposit Capture

KEY RISK MITIGATION BEST PRACTICES

PROCEDURAL BEST PRACTICES:

- Segregation of duties for personnel processing receipt of check payments, those preparing and submitting deposits via Remote Deposit Capture, and those reconciling accounts and statements is strongly recommended.
- Physical checks should be scanned, stored, and shredded in a secured area.
 Electronically captured check images, data, and any reports generated should be stored in a secured area.
- Securely store original checks between 14 days and 45 days. Immediately reconcile deposits to bank reporting and statements as they are available.
- Never share system credentials among users. Each user must be issued their own credentials for using the system.
- When processing a deposit, enter a control amount first to balance to when scanning of checks is completed.
- Confirm deposit is in balance and information is accurate before submitting each deposit.
- Routinely clean your scanner removing dust and any debris to help ensure proper performance.

DEPOSIT OF THE FOLLOWING ITEMS IS NOT PERMITTED AND COULD BE REJECTED:

- Checks drawn on foreign banks in foreign currency. Includes Canadian Checks in Canadian dollars or U.S. dollars.
- Checks payable to "Cash".
- Remotely Created Checks and Demand Drafts that do not have a maker signature.
- Checks that are irregular in any way (i.e., courtesy amount and written amount are different).
- Substitute checks (i.e., checks created from an electronic image).
- Checks you suspect are fraudulent or not properly authorized.
- Registered Government Warrants.
- Any checks that exceed transaction limitations that the bank may establish from time-to-time.
- Redeposit of Returned Checks (Must be taken to a branch).
- Check that are postdated or more than 6 months old.
- Third-party-issued-items outside the ordinary course of business" as noted in the Master Services Agreement.
